ABOUT THE CONFERENCE

We are currently going through one of the most significant historical changes ever experienced in the last 100 years. Covid-19 initially came with the rage to cripple the world, but we all know and have seen how this was a big change maker. Lockdowns, restrictions nothing could stop the world to emerge with lasting impact.

Change is the dominant fact of life in every business today. And the ability to master and exploit change has become one of the most sought-after Studies. After the pandemic, tempo of change is constantly quickening.

This conference intendeds to get researchers contribute to the new trends in multidisciplinary fields .Today all the industries are facing a baffling dilemma. Change gets costlier every day; yet not changing can be costlier. And even while adapting to change, there will be many apprehensions and suggestions by researchers who will contribute to the study on the “New Life post pandemic “, or as we have been listening to, “This is the new normal”.

This International Conference aims to provide platform to researchers and academicians to put their ideas and lead the way.
